THE CENTER FOR INSTITUTIONAL CAPACITY BUILDING AT SUNO

The Center is aptly named in that it's work integrates the institution's strategic goals and objectives focused on institutional capacity building, academic excellence and improving the administrative systems that support the larger work.

In accordance with the institutional mission, the Center serves the institution in several mission-centric ways:

- ✦ Quality academic programs
- ✦ Teaching, research, and service to achieve excellence in higher education
- ✦ Using various teaching and learning modalities
- ✦ Operational efficiency and financial sustainability
